### Industry Knowledge

Frontend Design

Software Development

Problem Solving

Logical & Design Thinking

User Experience (UX)

Requirements Analysis

### Technologies

Javascript, Typescript,

React, Angular, HTML/CSS,

Git, Vue.js, jQuery, ...

### Tools

Visual Studio Code, Figma,

Slack, Github, JIRA, Google

Suite, Office 365, ...

### Interpersonal Skills

Communicative, Creative,

Collaborative, Adaptative,

Team Spirit

### Other Skills

GIS Applications Design

Openlayers, Leaflet,

Mapbox, ExtJS, Java,

Spring Boot, SQL

### Languages

Spanish (native)

Basque (B2)

English (professional)
